DETAILED ACTION

Allowable Subject Matter

1. Claims 1-39 and 41-44 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest, alone or in a combination, among other things, at least a demodulator for demodulating digital data and its method as a whole, the combination of elements and features, which includes a correlator for correlating the digital data with a predefined reference training sequence; a verification unit to select correlation values above a threshold value; a determining device to determine an amount of a fractional sample delay to be added to a demodulator's symbol sampling timing would improve synchronization timing or based on the selected correlation values', implementing device to implement the amount of a fractional sample delay, and demodulating device for demodulating the digital data signal outputted from the implementing device.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Edith M. Chang whose telephone number is 571-272-3041. The examiner can normally be reached on M-F.
